### Shield Safety

#### PROBLEM +10mph

Traffic studies found hundreds of drivers each day exceeding more than 10+ mph over the speed limit in school zones.

#### SOLUTION

School zone cameras have proven to reduce speeds and improve safety.

#### OUTCOME

Reducing a motorist's speed by only 5 mph doubles the child's chance of survival if struck by a vehicle.

- ✓ School Zone Cameras work throughout Georgia.
- ✓ Significant reductions in speed.
- ✓ Low rate of recidivism.

### Fair Program

#### Shield Enforcement Hours

▣ Citations will only be issued from one hour before school, throughout the school day, to one hour after, only when school is in session.

▣ The goal of the program is to get driver's to slow down.

+11mph

▣ Motorists will only be cited if they exceed the school zone limit by 11 mph.

▣ All funds collected are used for Public Safety programs.

▣ First citation is \$75. Subsequent citations are \$125. Civil infraction - no points or insurance increase.
